Oxfordshire

Advice Services Manager

- Speak in confidence to a third party with anonymity assured
- Available 24/7, 365 days a year

An opportunity to work with a fantastic team of dedicated volunteers and staff. We look forward to meeting you

In accordance with Citizens Advice national policy we will require the successful candidate to complete a Disclosure and Barring check (DBS). However, a criminal record will not necessarily be a bar to your being able to take up the job.

The role

As Advice Services Manager you will work with the Senior Management Team and colleagues to support the development and implementation of the organisation's business and development plan, manage our local core services delivery and assist with the development of our core services, including working with local core funders. You will also be the responsible manager for the geographical location that you are assigned, ensuring local office needs and responsibilities are met. Our organisational aim is to meet client needs and future demand through developing and delivering sustainable quality advice services across Oxfordshire.

Reporting to: Core Services Manager

Line Manager to: Advice Session Supervisors/Coordinators, other core delivery staff and may directly line manage some core service volunteers.

Key internal working relationships: Other Advice Service Managers, Director of Operations, Chief Executive, Director of Business Development and Innovation, Finance Managers, IT Manager, Project Managers.

Core purpose

Working closely with the Core Services Manager and Director of Operations, you will lead the delivery of our core advice services in your local area, and act as the responsible manager for these geographical locations. This involves managing a multi-channel advice service, providing strong leadership to a local team, and ensuring the service is embedded in the community through effective stakeholder relationships. It includes the recruitment and management of volunteers, staff and Advice Session Supervisors to meet local demand for advice with a high quality and reliably staffed core service.

Role profile

Service implementation, management, delivery and reporting

You will:

- plan and manage the delivery of the core advice service in your local area, ensuring all activities, procedures, and systems comply with relevant regulatory frameworks, including the Advice Quality Standard, Financial Conduct Authority requirements, Citizens Advice national requirements, the General Data Protection Regulation, and Disability Confident accreditation.
- manage the local rota to ensure day-to-day service runs smoothly and efficiently with sufficient resources to meet client demand.
- oversee and monitor administrative systems and work within delegated financial authority.
- arrange and carry out case checking and Independent File Reviews in accordance with local policy and procedures for quality management, and ensure Advisers are given timely and constructive feedback.
- contribute to quality benchmarking reviews, QAA, and Advice Quality Standard audits as required.
- monitor and report on key performance indicators (KPIs) and outputs of core services to the Senior Management Team and funders as required, and implement improvement plans when necessary.
- contribute to our research and campaigns work by providing leadership for this area and ensuring local resources are allocated for both national and local campaigns.
- be aware of and respond to the advice needs of disadvantaged groups and areas, ensuring services reflect the Citizens Advice equality and diversity strategy.
- undertake session supervision as and when required.
- work with the Core Service team of ASMs across our offices to ensure our clients receive consistent service across the county, and resources are shared where appropriate.
- ensure that the Casebook LSS page and our website is kept up to date for your geographical area.

- contribute to CAOX weekly advice briefings, ensuring timely content from your service area, and distribute local information to your team as needed.
- investigate and respond to complaints, information breaches, and data requests in line with National Citizens Advice guidance, recording as per local procedure and escalating as appropriate.
- instigate and manage the safeguarding process as issues arise, consulting with and reporting to one of the Deputy Safeguarding Leads.
- manage local premises as required.
- support the Chief Executive with leases and landlord relationships as required.
- ensure CAOX health and safety policies are implemented in your office and outreaches, including ensuring appropriate testing and inspections are carried as required.
- complete and record appropriate risk assessments for premises, outreaches, home workers, home visitors, events, and individuals as required.
- ensure that your geographical area is adequately supplied with stationery and resources etc.

Business Planning

You will:

- contribute to the development and implementation of the organisation's strategy and business plan as required.
- participate in management meetings as required.
- support and contribute to the successful completion of the annual Leadership Self-Assessment.
- report to and advise the Core Service Manager on core service staffing and delivery.
- propose improvements and expansion to core services and channels.

Partnership Development

You will:

- represent the interests of CA Oxfordshire at funder meetings, external forums and other meetings as requested by the Senior Management Team.
- identify and develop key external relationships/partnerships for the successful delivery of core services.
- promote the work of the Citizens Advice service locally as required.

People Management

You will:

- lead on local recruitment, selection, and induction of Advice Session Supervisors/Coordinators, and new core service staff.
- take an integral role in the recruitment and training of local volunteers to meet the needs of your location, working in accordance with National Citizens Advice guidance.
- lead and manage your direct reports.
- encourage good teamwork and lines of communication between all members of staff and volunteers.
- ensure the effective performance management and development of all staff and volunteers, through regular supervision sessions, the annual appraisal process and identification of learning and development needs.
- work with the HR Manager to develop and implement performance improvement plans where performance issues arise.
- ensure that all CAOX policies and procedures are followed.
- create a positive working environment in which equity and diversity are well-managed, dignity at work is upheld, and staff are empowered and motivated to do their best at all times.

How Citizens Advice Oxfordshire works

How our service works

We provide a range of advice, guidance and support services to the people of Oxfordshire and beyond. We give advice on many issues, including; debt, benefits, employment, housing, consumer rights and relationship problems. We believe no one should have to face these problems without good quality independent advice.

● Our values

We're inventive. We're not afraid of trying new things and learn by getting things wrong. We question every idea to make it better and we change when things aren't working.

We're generous. We work together, sharing knowledge and experience to solve problems. We tell it like it is and respect everyone.

We're responsible. We do what we say we'll do and keep our promises. We remember that we work for a charity and use our resources effectively.
